### JOIN THE "CALL FOR CONSCIENCE" IN THE HAMILTON DIOCESE

The Government of Canada passed legislation in June 2016, legalizing euthanasia/assisted suicide. Despite wording in the legislation intended to protect doctors and facilities, the College of Physicians and Surgeons of Ontario is forcing health care workers to participate in ending the lives of their patients. No other country or province in Canada does this. Ontario, however, refuses to protect doctors who object to assisted suicide/euthanasia. The Hamilton Diocese is wants to protect the rights of all healthcare workers. Please visit [www.CanadiansforConscience.ca](http://www.CanadiansforConscience.ca) to learn more, write a letter (samples available at the back of the Church or on their website) to your Provincial Member of Parliament and consider adding your email address to the Conscience Coalitions network to receive future information.

We all need to join the "Call for Conscience" taking place between Feb. 6 and March 31<sup>st</sup>.
