"FATAL FLAWS" FILM SCREENING: THE DANGERS OF MEDICAL 'AID' IN DYING LAW

Are assisted dying laws leading society down a dangerous path? It's time to learn about the issue as it is experienced in lived reality. Local filmmaker and Kevin Dunn has spent the past three years travelling throughout Canada, The Netherlands, Belgium and the USA to learn more about the answer to this important question. Critics say "FATAL FLAWS" is a must-see for every patient, person or medical caregiver who wants to understand the difference between medical killing and medically-responsible caring. The film is produced by DunnMedia in association with the Euthanasia Prevention Coalition. Join us and learn more on Monday, June 25th at 7:00pm at Silver City Hamilton Mountain Cinemas. Tickets can be purchased online.
