CAPITAL CAMPAIGN

The Diocese of Hamilton has decided to move forward with a Parish-focused capital campaign after a recent study found support from 83 percent of the respondents. The planning study was conducted from May through June by the Steier Group, a campaign consulting firm, and included more than 900 clergy and lay participants. Under the proposed campaign plan, 75 percent of the funds raised would go to the parishes for projects of their choosing, 15 percent to diocesan ministries and 10 percent to support parishes in need. On the diocesan campaign website, www.hamiltondiocese.com/campaign, you can find a letter from Bishop Crosby about the study and the campaign, plus a more detailed summary of the planning study results.

ST. VINCENT DE PAUL SOCIETY

The St. Vincent de Paul Society of the Parish, as you probably know, is made up of parishioners who volunteer to assist those in need in our community. Our members make home visits to provide support and material assistance (mostly food cards) to those in difficult circumstances, who call in for help. This charitable work could not exist without your on-going, generous donations at our monthly St. Vincent de Paul collection or your use of the grey St. Vincent envelopes at the back of the church (for tax receipts). If you know of anyone (individual, couple, family or senior) experiencing financial difficulties, please encourage them to call the St. Vincent de Paul Society at 905-628-2880. All contact information is treated with strict confidentiality. (We cannot accept referrals.) Thank you for your continuing support of this important christian outreach that offers comfort and relief for those struggling with stressful situations in their life.

Gratefully,
